**Target Audience:**

Administrators, teachers, providers and others who serve young children in early learning settings (i.e. TK or preschool classrooms, family childcare).

**Overview:**

This book provides a helpful roadmap for improving racial equity through strengthening racial awareness, addressing implicit bias, and creating culturally responsive environments for boys of color and their families.

**Target Audience:**

School district and charter school administrators or instructional leads who support TK planning and implementation (i.e. directors, principals or Teachers on Special Assignment).

**Overview:**

This book explores the critical role of play for children, particularly in TK and early education.
